Dear Narongsak Burapapanich,

I want to comment on my recent two month stay at Viangbua Mansion. In short, I was delighted with it in all respects.

You and your staff have created a wonderful environment. In particular, you've created a safe, comfortable, and elegant facility in Chiang Mai.

Thank you so much for taking care of every detail, for your personal involvement, and for keeping me "connected" to the Internet.

I wish you, your family, and your staff a very Happy Songkran, and success and joy in the New Year. I look forward to my next stay with you.

Until then, thank you for helping make my time in Chiang Mai so pleasant.

Sincerely,

Robert J. Dowling
